Principles	How They Are Achieved
Ensure broad-based, relevant Board representation.	Recommend individuals from business, education, finance, law, new media and other relevant disciplines.
Promote strategic macro-governance direction.	Work with management to ensure continuous improvement of service delivery.
Maximize value for money.	Operate by demonstrating effectiveness and efficiency in use of resources.
Listen to KNC partners.	Seek input from partners, stakeholders, and the provincial government and act on it.
Leverage best practices including the selection of performance measures and targets.	Support the CEO in the development, implementation, and evaluation of a Service Plan that meets goals and objectives set by the Board.
