Board of Directors

Knowledge Network Corporation's Board of Directors are appointed by the Lieutenant-Governor in Council. The Board leads Knowledge Network with a strategic perspective, attending to the continual improvement of its leadership role and to its capability as a body to define values and vision.

They are guided by governance principles that are intended to support best practices, innovation and improvement, sound fiscal management and respect for all stakeholders. The Board has systems in place to ensure their operations and decision-making processes are consistent with the guidelines of the Crown Agencies and Board Resourcing Office.

Principles	How They Are Achieved
Ensure broad-based, relevant Board representation.	Recommend individuals from business, education, finance, law, new media and other relevant disciplines.
Promote strategic macro-governance direction.	Work with management to ensure continuous improvement of service delivery.
Maximize value for money.	Operate by demonstrating effectiveness and efficiency in use of resources.
Listen to KNC partners.	Seek input from partners, stakeholders, and the provincial government and act on it.
Leverage best practices including the selection of performance measures and targets.	Support the CEO in the development, implementation, and evaluation of a Service Plan that meets goals and objectives set by the Board.
